## STATEMENT

I hereby declare that I am aware of the general regulations concerning the safety and hygiene of work with electrical equipment. I undertake to adhere to:

- *Health and Safety Regulations for Work in the Laboratory,*
- *Instructions to be Followed by the Laboratory Participants,*
- *Health and Safety at Workstation Equipped With a Computer.*

I also commit myself to a thorough familiarization with:

- *First Aid in Case of Electric Shock.*

At the same time, I declare that during the first laboratory exercises I was warned about the need to exercise caution in the laboratory because of the possibility of electric shock and mechanical injury on rotating machines.

I declare that in the case of leaving the laboratory room before the end of classes, I take sole and full responsibility for my health and safety.

I agree to process my personal data for the purposes of control of learning outcomes, in particular the presentation of information about the results of this control.
